**MINUTES-** No minutes from May 6, 2020

Director Ozoroski gave everyone an update on the department during the COVID-19 Pandemic via ZOOM.

- A. **Pool update** –Ozoroski, prior to the meeting sent out an attachment from the NJRPA regarding COVID-19 Aquatics Considerations for Planning. We still haven't officially decided to open but we are thinking about it sometime in July. It's still going to be very hard to incorporate all the rules and regulations, plus who knows how many members we will have and how much will be lost financially.
- B. **Golf Update**- The golf course has been very busy. Reservations are selling out in 5 minutes. The greens are slowly coming back. Once we finally start to get hot consistent temperatures we should really start to see the greens pop.
- C. **Tennis**- The tennis courts have been packed with players. We will be having Murray Hill run summer elite camps this year on 2 of the courts from 8:30a-3:30p.
- D. **Outdoor bathrooms**- Ozoroski let the board know that we have opened up the bathrooms in our parks.
- E. **Summer Camp**-We are going to offer summer camp this year following all COVID -19 guidelines. We will be meeting with the health officials to go over all of our protocols to make sure we are doing following all official rules. We have had about half of the families drop out.
- F. **Special Events**- We are still hoping to have some type of movie/concert series this year. Once we get the approval, we start to book summer entertainment
- G. **GRACE** – GRACE was approved by council to officially come under the DCP jurisdiction. We having been working with them for a number of years now and we are happy for them to have joined the department.

**ADJOURNMENT**

Ozoroski ended the meeting at 6:50pm.
